Administrative Assessment

R/Lt. Bolden #227 was informed by Sgt. Calderone #923 that detainee [redacted] #4 alleged that he was punched in the stomach by an unnamed Chicago Police Detective while in their custody. Detainee [redacted] was dropped off at the bridge by CPD as opposed to Post OF per usual procedure. Detainee did have paperwork provided by Chicago Police Department Detectives indicating that he had been seen at Our Lady of Resurrection for chest pains. Detainee was taken to court and then brought through the tunnel (Per Supt. Holmes) for Release Unit processing and to be seen by medical and psychiatric staff. Videotaped statement (Tape # [redacted]) of allegations by said detainee also taken. After statement, detainee also requested PC on said tape which was turned back on to document said request. Notifications made through constant phone conversation with the (cont)
